Inspired Proposals

In the breathtaking Maldives, a surreal proposal scene is yours alone in the world's greatest paradise. From a secluded Andaman beach retreat, whisk your loved one by boat to Emerald Cave and swim through a channel of turquoise waters to reach a hidden shore, where a champagne picnic awaits you on golden sands, and the ring can be placed in a niche of the cliff that encloses this secret beach. Celebrating “I do” in Your Own Unique Way

Anantara wedding celebrations are tailored to each couple's desires, personality and the size of their wedding party, with our signature L.O.V.E. package providing romantic inspiration.

Local: The Perfect Entrance

Anantara's cultural grand entrances mark an unforgettable start to the proceedings. In Thailand's lush jungle the groom may ride to his bride atop a regally decorated elephant. On a desert wildlife island in the Middle East, the groom travels by safari vehicle or Arabian horse across powdery sands. On an uninhabited Maldivian island, the bride can be escorted along a flame lit torch path by an entourage of Maldivian men in sarongs to the sound of drums.

Original: The Night Before

For an exceptional celebration, Anantara will create a cocktail the night before. Tailor made to each couple's personality, favourite colour, liquor level and taste; it's a delectable drink to personalise the wedding day.

Vow: A Gift of Love

Collect special moments from this day onwards as you embark on a journey of timeless romance. Something for every occasion in a lifetime together, the Anantara wedding keepsake L.O.V.E. is a memory album to cherish.

Eternity: In Your Own Words

Take a moment to collect your thoughts and pen them in a loveletter. Written on a mountain top or as the sun sets over the ocean; sealed until the wedding anniversary of your choice.
