# JAZZ IN THE DUNES OF THE EMPTY QUARTER.

## SWING DELUXE

Swing between Christmas and New Year's Eve. Discover nights of infectious big band swing jazz.

Formed in 2003 by young Parisian musicians, year on year their concerts have evolved into full-scale musical events including singing, swing, gypsyJazz and Russian cabaret performed at the Jazz clubs of Paris, Europe and the Middle East.

Gypsy jazz (also known as gypsy swing or hot club jazz) is a style often said to have been started by guitarist Jean "Django" Reinhardt in the 1930s. Because its origins is largely French it is often referred to as "Jazz Manouche". Reinhardt was noted for combining a dark, chromatic gypsy flavour with the swing articulation of the roaring Paris of the 1930s creating what is no doubt one of the most significant additions to the European Jazz scene.

Swing Deluxe fuses the great classics of French and American jazz, classics from the 1930's to the 1950's, including Boris Vian, Charles Trenet, Frank Sinatra and Duke Ellington, with this distinctive French swing.
