### Signature Creation from our Executive Chef

Executive Chef Yves Lafond has created many flavoursome culinary masterpieces that make use of the finest ingredients, sourced locally and from all over the globe, including one of his signature dishes, Seared Scallop and Foie Gras (pictured), available at Suhail.

"I like the dish because of its balance and also how it came together over time. It represents my time in the Caribbean, Europe, Asia, and now Abu Dhabi. It's a well balanced dish with the light acidity and crunchiness of the green papaya and mango slaw that complement both the buttery scallops and the foie gras, the sweetness of the local dates, and last but not least, the fresh baked brioche, often used by the connoisseur to mop up every last drop."
